

BE PART OF

TASTE OF WORCESTER

City Staff Card

## What is City Staff Card?

The Taste of Worcester City Staff Card will be launched this summer and will run all year round.

The aim of the card is to increase the number of people dining out in our city at lunchtime.

This card will entitle staff of city centre businesses to a 10% discount on the total food bill in participating venues, MONDAY-THURSDAY.

If you would like to be part, let us know and we will add you to the database ready for launch!

## Why become a participating venue?

Improve your lunchtime uptake by offering a discount to people who are already in the city every day of the week for work! Increase your business's awareness and contacts with the local business community. Your venue will be displayed on a list of participating venues that will link to your business website.

**T&Cs:** All registered businesses must offer the blanket discount of 10% off all food, when shown the city staff card, on the total bill whilst registered as a Taste of Worcester, City Staff Card participating venue.
