Dear Resident/Business Owner

Worcester Carnival: Saturday 1st July 2023 Road closures between 2.00pm and 5.00pm

We are writing to inform residents/businesses near our parade route that Worcester Carnival will take place on Saturday 1st July 2023. Part of the event will include a procession through the streets of Worcester, starting at 3.00pm.

To facilitate this several road closures will be in place from **2.00pm with restrictions lifted by 5.00pm**. We will be operating a rolling re-opening of the affected roads to keep disruption to a minimum.

A temporary road closure order has been granted for the event.

Residents living in Severn Terrace

Pitchcroft car park we will be restricted from 5.30pm on Friday 30th June but should not impact on your ability to park within your designated areas.

Residents near King Street (Sidbury) Car Park

Access from the end of St Peters Street will be restricted at Sidbury. We will endeavour to re-open the road network as soon as it is safe to do so, once the parade had passed. We thank you for your patience whilst the closure is in force and recommend you make alternative arrangements during this time. Worcestershire County Council Highways Team have informed us they intend to remove the bollard restrictions in [Mill Street](#) temporarily to allow access to Bath Road.

Information about the Carnival

We are excited to be able to bring the community of Worcester together again for our 2023 carnival. Chosen charities receive all the proceeds from the street collection.

Our 'carnival village' will be located on Pitchcroft and include entertainment with many attractions such as children's rides, inflatables and sport activities. The event opens at 11.00am until 8.30pm with the street parade commencing at 3.00pm until approx. 5.00pm.

There will be a wide variety of stalls such as food, cultural arts and crafts, clothing, jewellery and promotional stalls for charities. Our sports and games zone will include several activities for the family and an opportunity for organisations to display and promote a range of sports. The event stage will host several young people showcasing their talent, including solo acts, bands and dance groups.

We very much hope you will be able join us on the day and thank you in advance for your support.
